But for some reason,
this is the first place that I've liked so far.

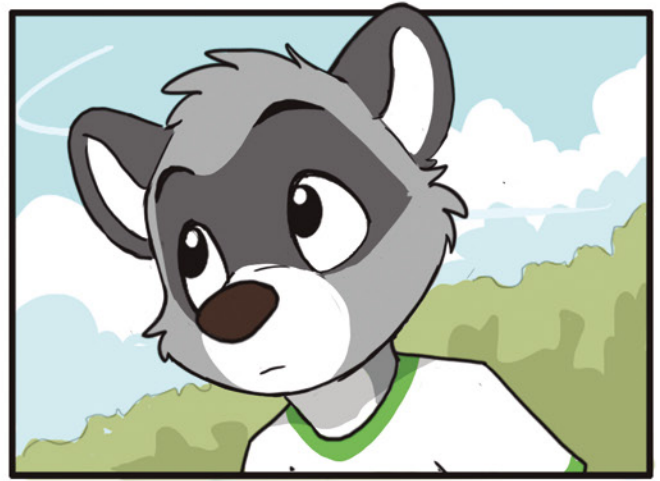

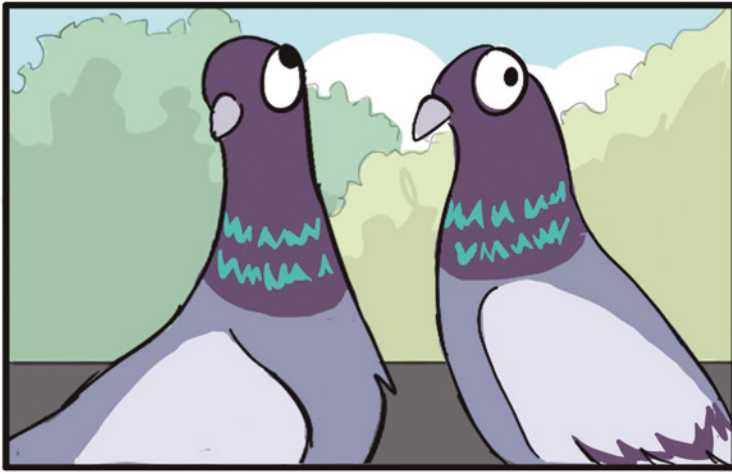

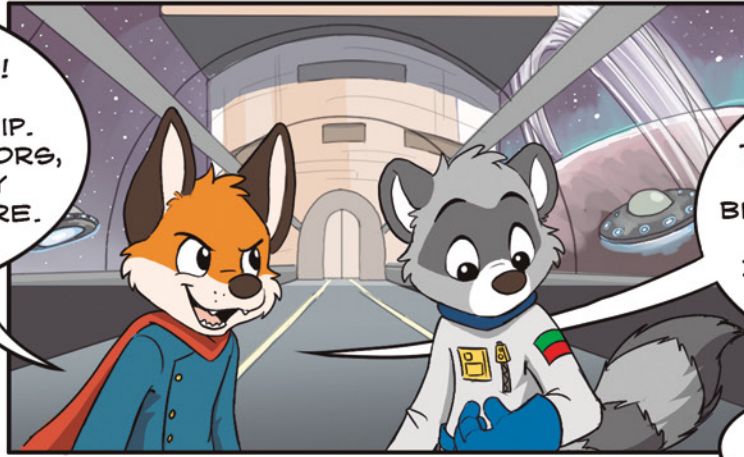

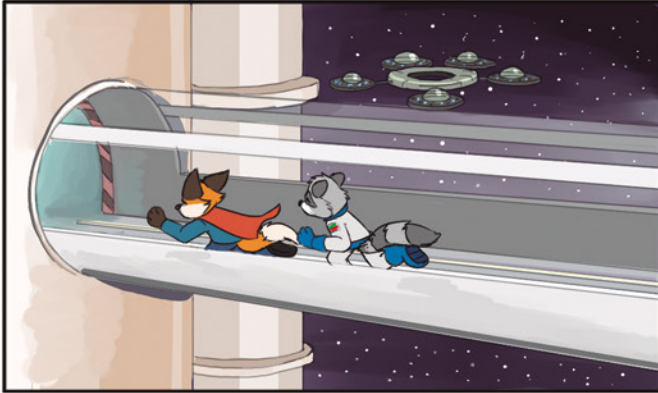

SEE? YOU JUST NEEDED TO OPEN
YOUR EYES SOME MORE.
NOW, HELP ME RESCUE THESE POOR,
INNOCENT VULPES.

WELCOME ABOARD!
WE ARE IN
THE CORUCOIDS' SHIP.
THEY DON'T LIKE VISITORS,
AND WE DEFINITELY
WEREN'T INVITED HERE.

THERE'S NO TIME TO
ADMIRE OUR
BEAUTIFUL COSTUMES.
JUST FOLLOW ME.
I KNOW THIS PLACE
VERY WELL.

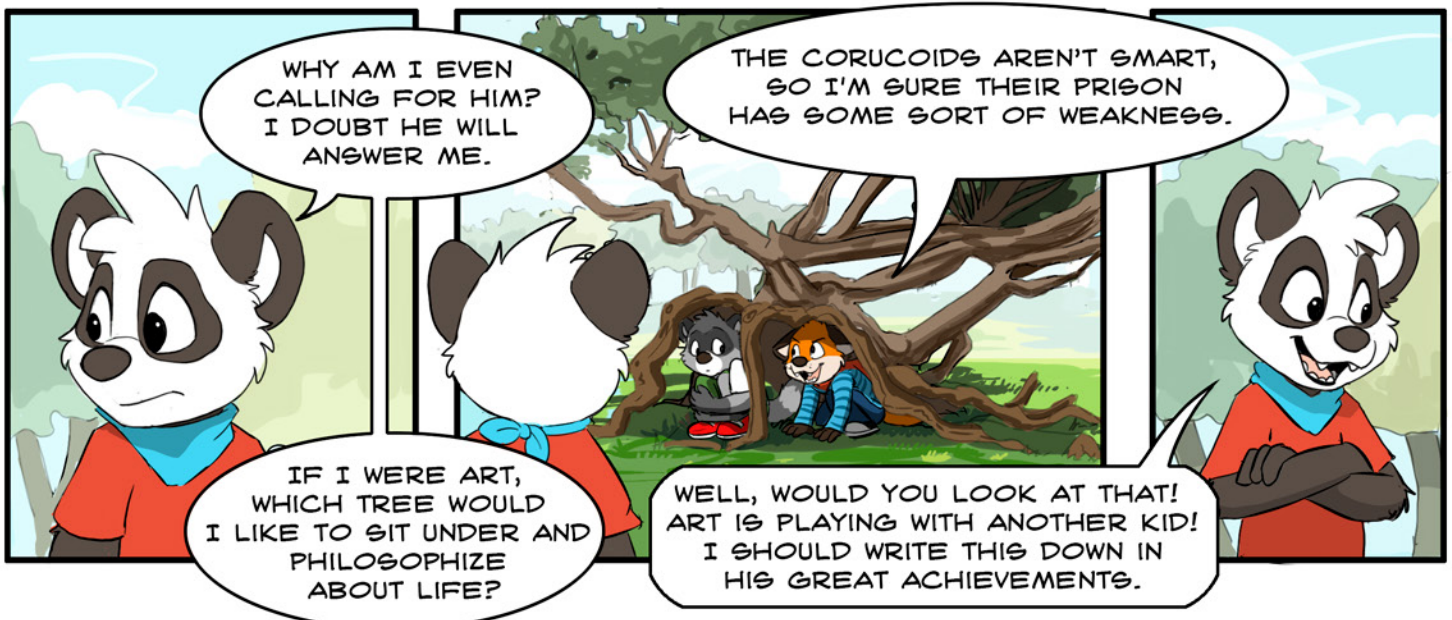

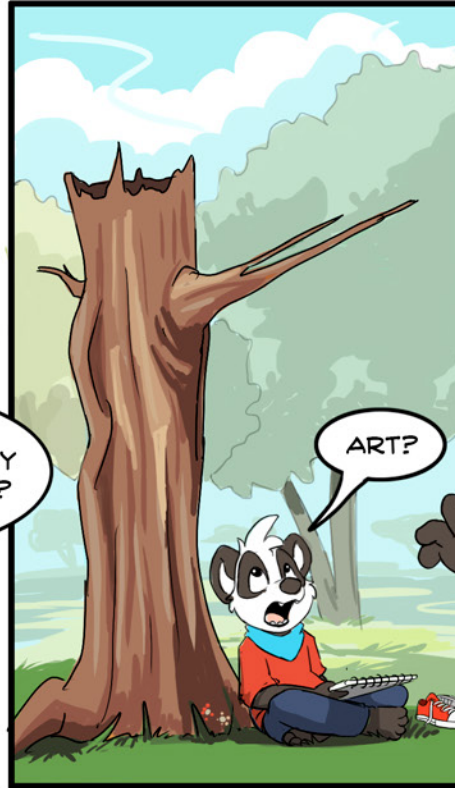

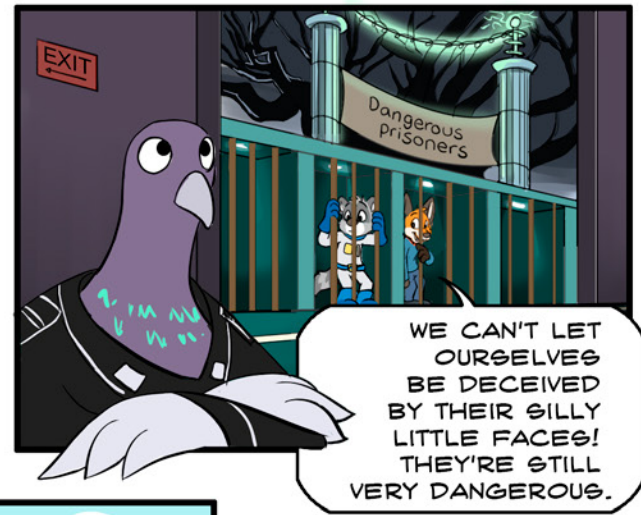

THERE
THEY ARE! STAY
BEHIND ME!

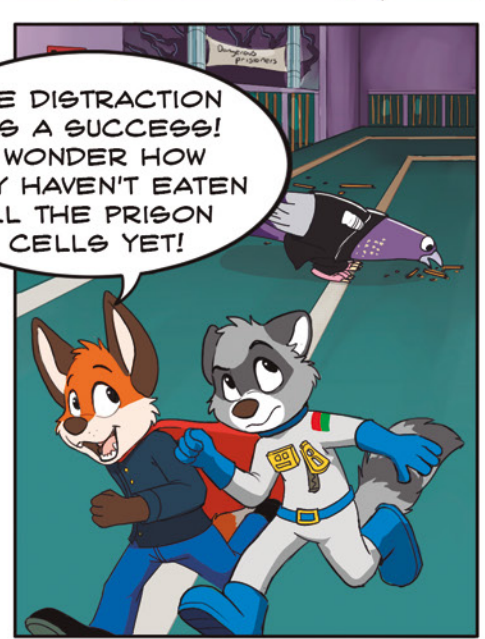

THE VULPES
ARE BEHIND
THAT DOOR.
THE CORUCOIDS
AREN'T VERY
SMART, BUT
WE MUST ACT
FAST AND BE
DISCREET.

NOOO!!
WHAT ARE
YOU DOING?!

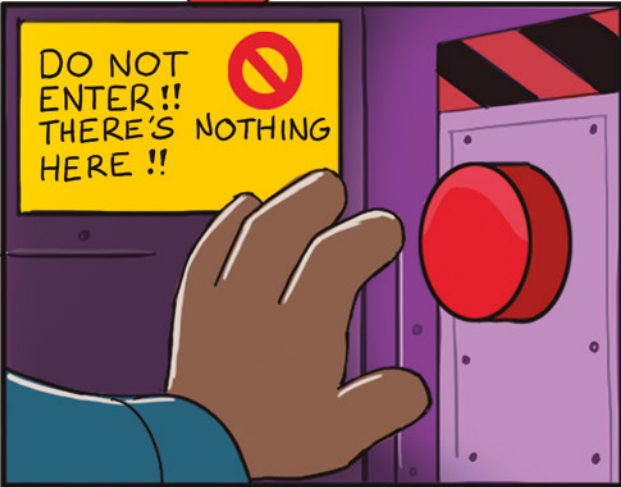

THAT'S THE DOOR!!

THIS TIME,
I'M REALLY SURE!!

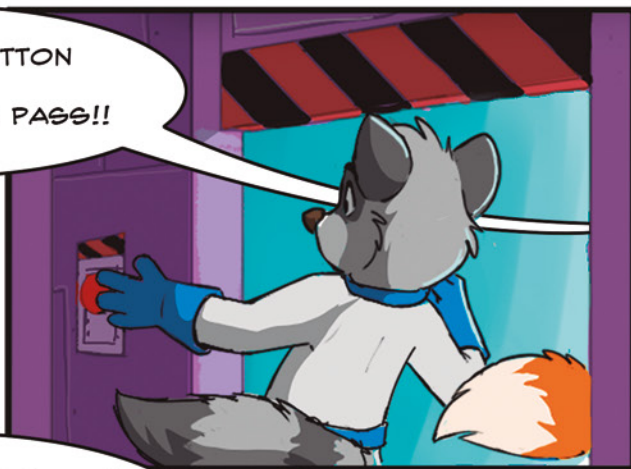

IT'S HARD TO BELIEVE
THAT RACCOON
IS PLAYING.
I NEED TO SEE THIS.

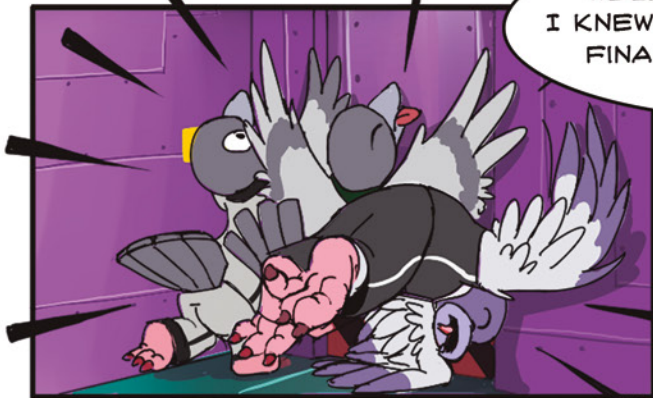

PRESS THE BUTTON AGAIN!!
DON'T LET THEM PASS!!

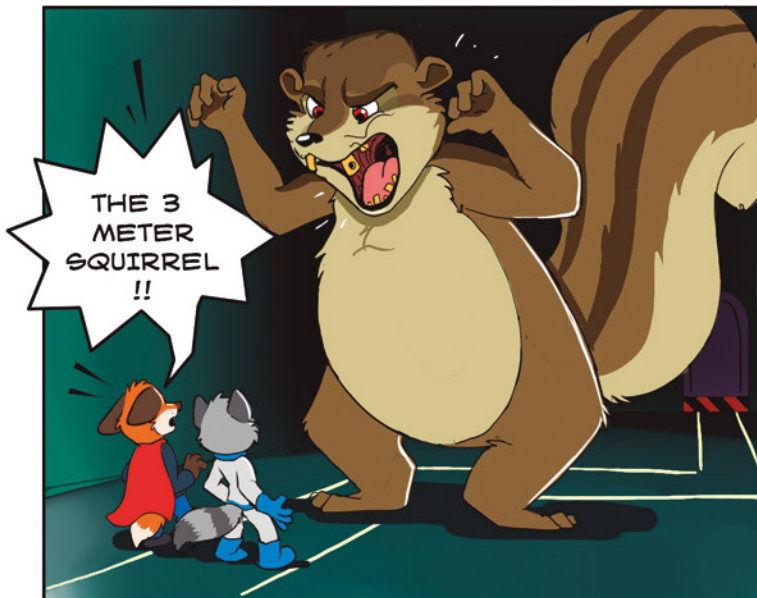

WELL DONE, RACCOON!
I KNEW I COULD TRUST YOU.
FINALLY, HERE WE ARE!

OH NO!

I DIDN'T THINK
WE WOULD HAVE
TO FACE...

THE 3
METER
SQUIRREL
!!

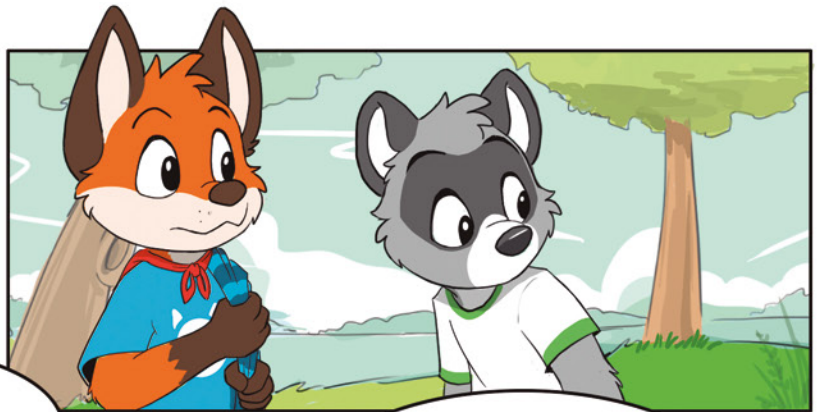

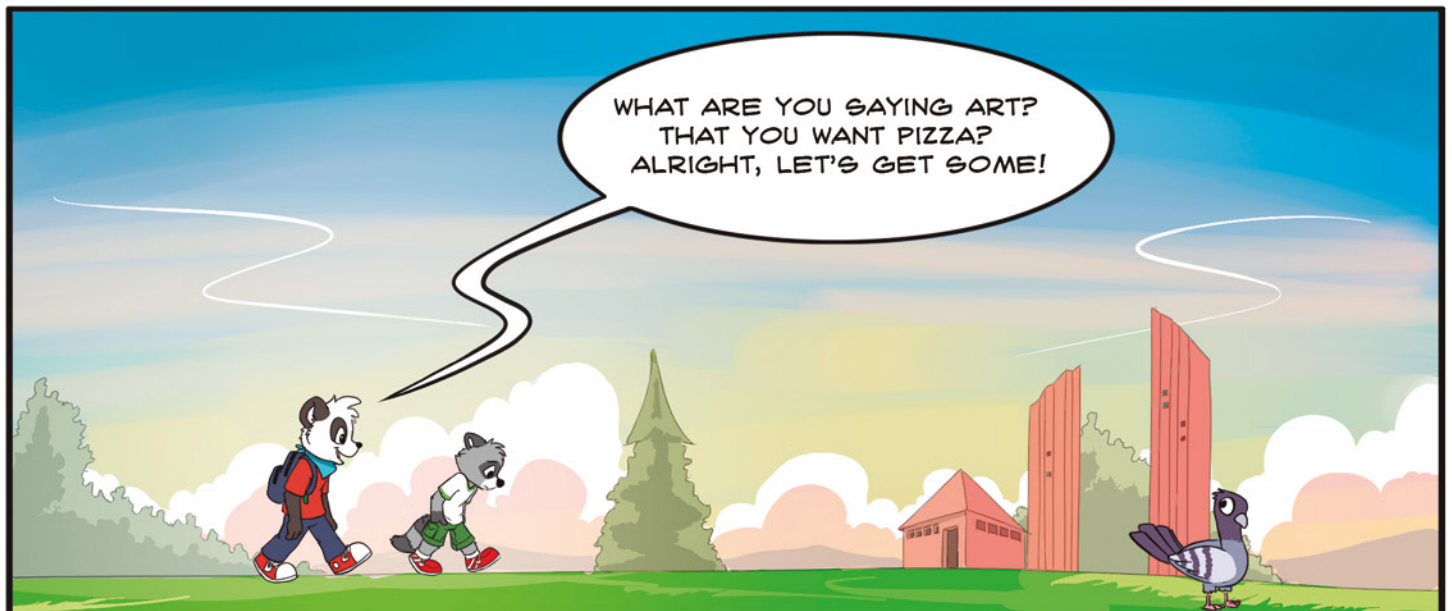

BARK!! BARK!!
BARK!!
BARK!!

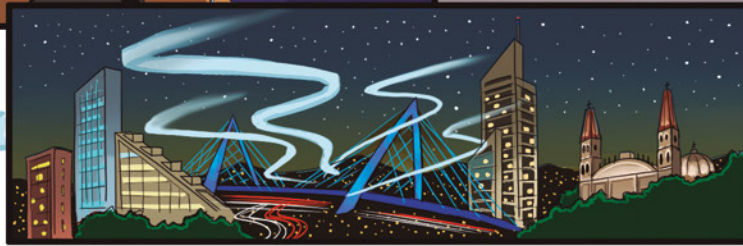

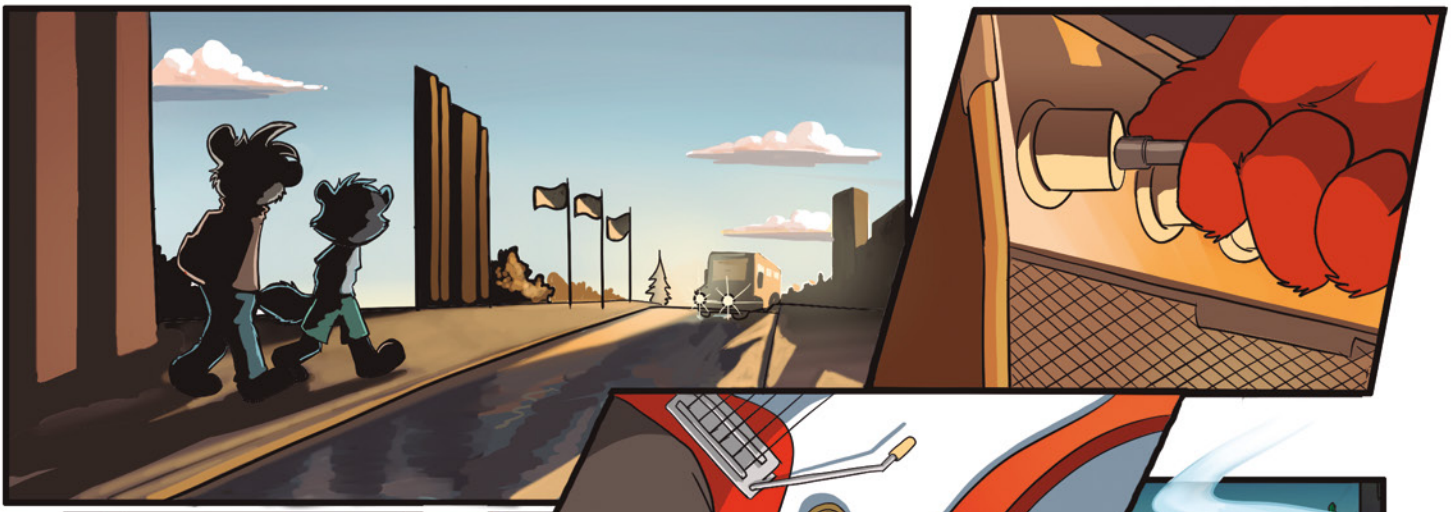

CHEAP RENT.
TASTY PIZZA.
WE DON'T REGRET
THE MOVE.
THIS PLACE
IS AWESOME!

ART MUST THINK
SO TOO.
HE MADE A NEW FRIEND
AT THE PARK.

REALLY?
ARE YOU SURE
IT WAS ANOTHER
LIVING BEING?

I'M JUST
KIDDING, BRO.
I'M SO HAPPY FOR YOU!
BUT YOU GOTTA TELL
ME ALL ABOUT YOUR
FRIEND!

YOUR FRIEND COULD BE
OUR FIRST FAN. WE ARE ABOUT
TO RECORD OUR FIRST ALBUM.

ALL THANKS TO PABLO. HE KNOWS HOW TO CONVINCE HUMANS.

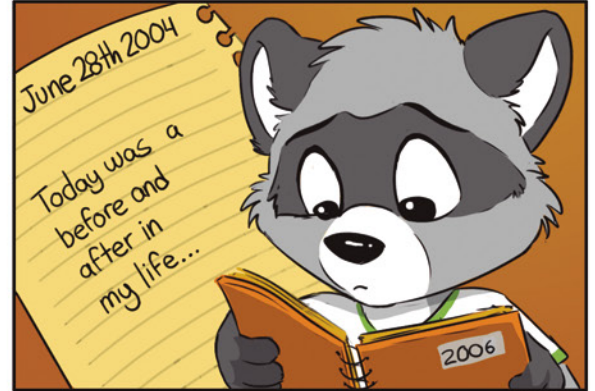

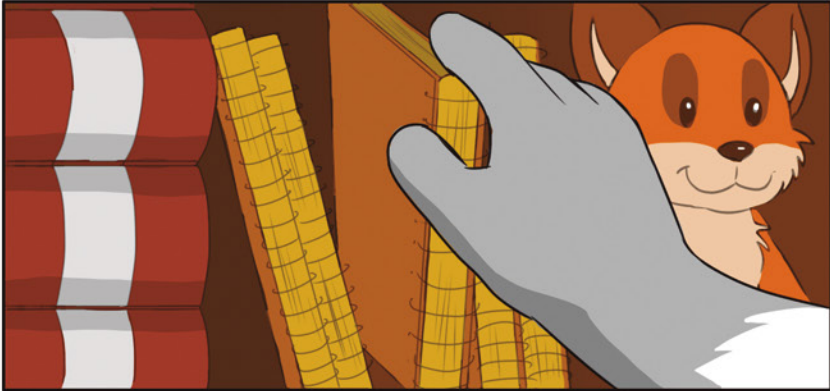

I'VE GOT A FEW CONNECTIONS.

WE SIGNED WITH BALAAM RECORDS. THEY LISTENED TO OUR DEMO AND GAVE US A CALL.

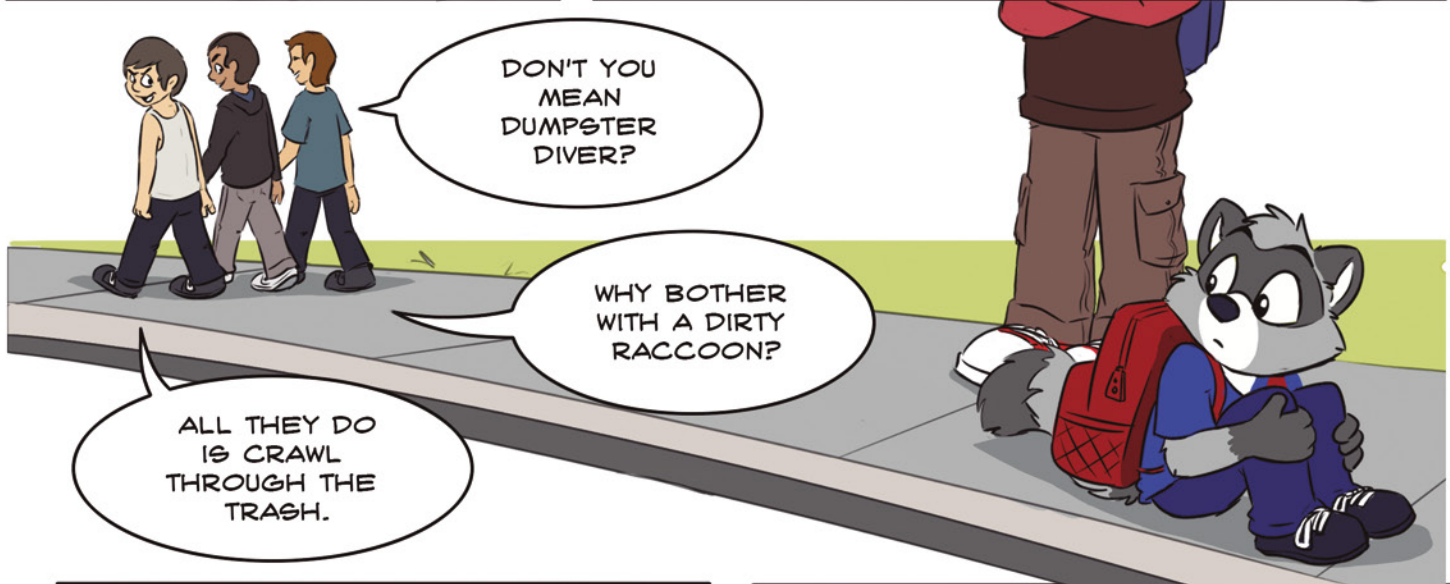

But to find it...
I needed friends.

KID, WHAT'S WRONG?
THOSE GUYS DIDN'T DO
ANYTHING TO YOU, BUT YOU JUST
SHOWED THEM HOW
HELPLESS YOU ARE.

I thought it was impossible...
until he showed up.

I'M OFFERING
MY HAND
TO HELP YOU UP,
NOT TO JUST
LOOK AT IT

I'VE SEEN YOU
AROUND HERE
A LOT AND HAVE
WANTED TO TALK
TO YOU FOR
AWHILE NOW.

MY NAME IS
ARTURO.
WHAT'S YOUR
NAME?

UHM...
DON'T YOU
TALK?

WELL, I GUESS
I'LL CALL
YOU "RINGTAIL" UNTIL
YOU TELL
ME YOUR NAME.

My problem was
that I didn't know
what to say.

It was nice that
we had similar names.
It was a good start.

I'LL WALK YOU
HOME, RINGTAIL.
I DON'T WANT SOMEONE
ELSE TO HURT YOU.

He didn't care that I didn't speak much.
I finally found a friend.

After a few days, I started to hang out with him...

...and I realized there could be wonderful moments...

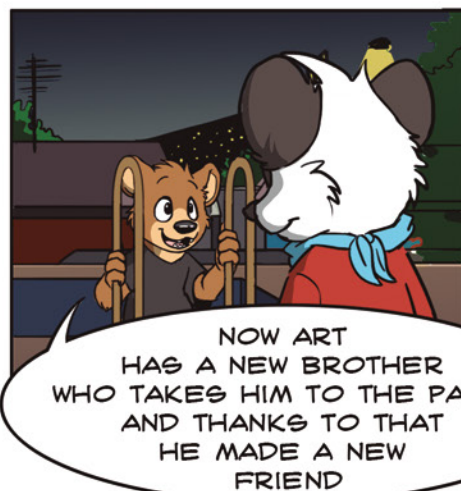

...in this hell I call life.

I've never told him this, but I'm sure he knows: my brother Julio is my hero. I would love to see more people like him in this world.

August 15th, 2006

I like to use my imagination
to pretend that I'm someone else,
and do things that I couldn't do in real life...

FOLLOW ME,
RACCOON!

OH NO!
THE ENSEANS!
WE ARE
SURROUNDED!

THEIR WEAKNESS
IS WATER.
THEY ARE EASY
TARGETS...

...SO,
ATTACK!

THEIR EVIL PLANS
WERE RUINED THANKS
TO THE MOST BASIC
ELEMENT ON OUR PLANET!
WE STOPPED THEM
TOGETHER, ART!

...but this is
the first
time
I can share
that
imagination
with
someone
else.

IT'S BEEN A LONG TIME
SINCE I'VE PLAYED
LIKE THIS. I WAS STARTING
TO FORGET HOW
TO BE A KID, AGAIN.

November 12th, 2006

Yesterday, I asked myself a silly question...

What would it be like to be human?

Not having your fur get hot in the summer...

Not having to worry about your tail getting injured...

HEY ART,
I'VE ALWAYS WONDERED...
WHAT'S IT LIKE BEING
A RACCOON?

WHAT'S
HAVING A TAIL LIKE?
OR EARS ON THE TOP
OF YOUR HEAD?
IS IT LIKE BEING A
PLUSHIE?

... Apparently, some humans
often wonder the same
thing about animals.

WITH EARS LIKE
THESE, THERE'S
NO WAY YOU COULD
USE THESE
HEADPHONES.

Beep
Beep

THIS PHONE IS ANNOYING.
MY PARENTS FORCED ME
TO GET IT SO THEY
COULD FIND ME.

I'M SORRY, ART.
I NEED TO LEAVE.
I'LL SEE YOU
LATER!

Then I had
an idea...

WHAT IS THIS?
YOU SOME KIND OF
SEAMSTRESS
NOW?

When I got home,
I was reminded of
the reality in
which I live.

PAM!!

CLICK

OPEN THE
DOOR!!!

IN THIS ROOM WE
MAKE THE RULES,
IF WE WANT TO SEW,
WE SEW!!

OPEN THE
DOOR THIS
INSTANT!

ART, DO NOT LET ANYONE RUIN
YOUR DREAMS. IF YOU LISTEN
TO WHAT THEY SAY ABOUT YOU,
YOU WILL STOP BEING YOURSELF.
YOU ARE UNIQUE.

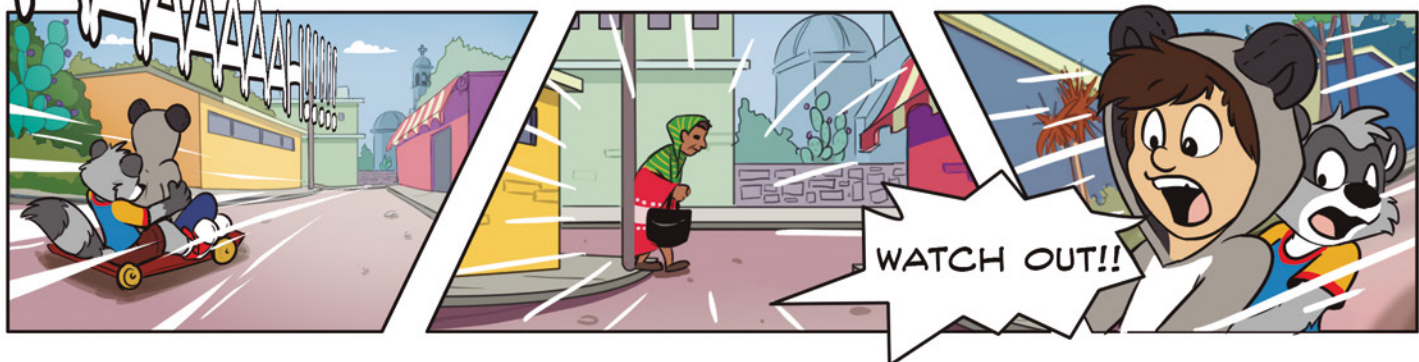

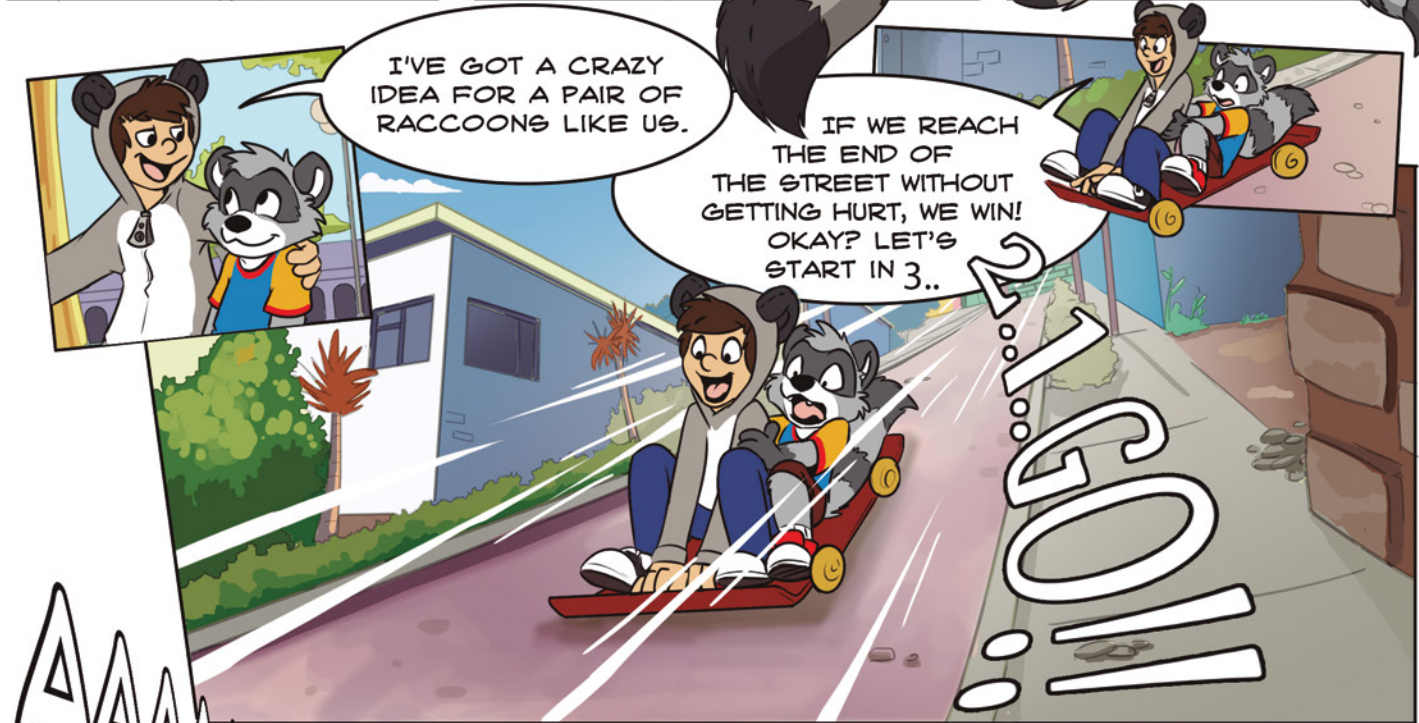

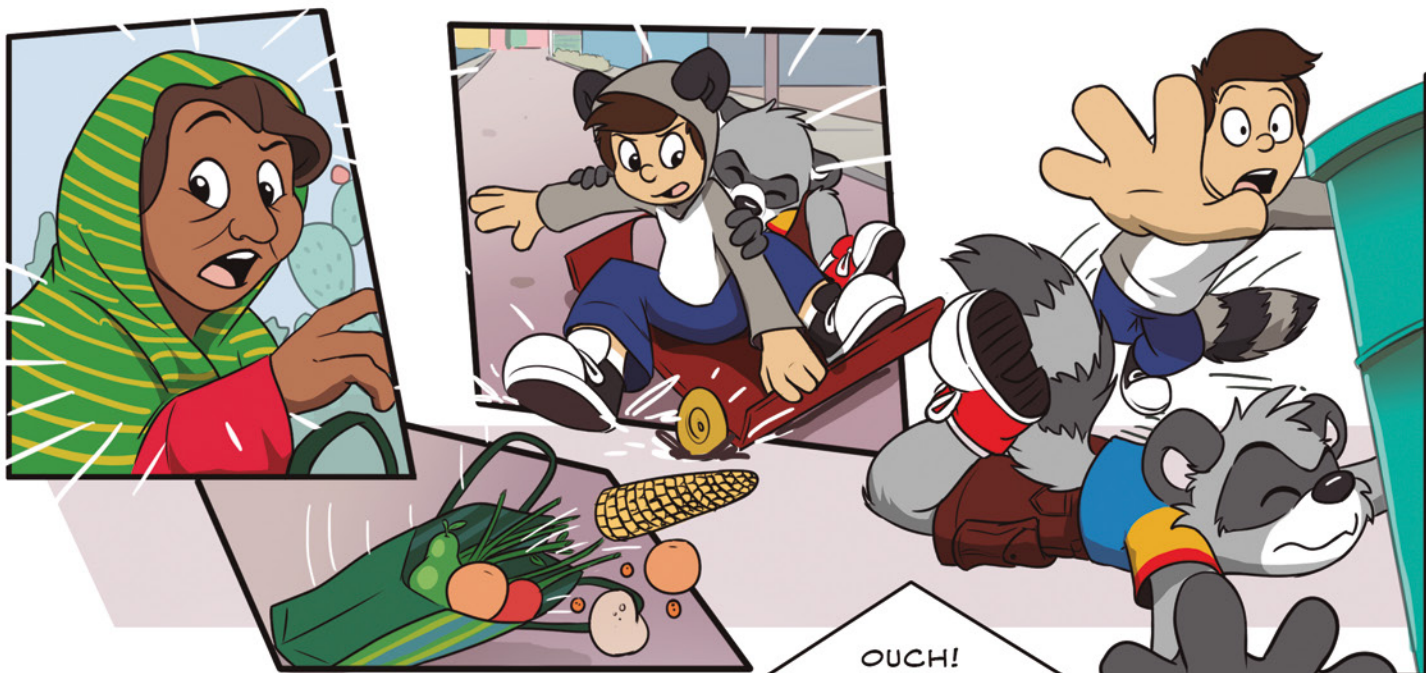

I wonder if I had met my parents,
would they have supported, cared
and guided me? I do not know.
But without Julio, I wouldn't know
what a real family is.

SOMEDAY WE
WILL GET OUT
OF HERE.

I SWEAR.

November 13th, 2006

Today was a really fun day. Arturo liked the surprise of the hoodie a lot, and we played as raccoons together. We almost ran over an old lady. That was dangerous, and, of course, we got scared.

The lady was angry with Arturo, and that affected him a lot. I could notice it in his mood.

But I know tomorrow will be a day with a lot of adventures because for the first time, he said he would pick me up at my school.

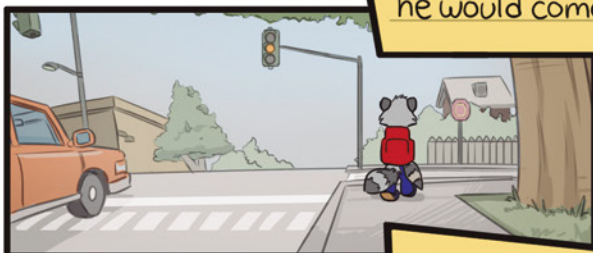

November 14th, 2006

People think that cloudy days are sad and melancholy, but I love these days. Parks smell of wet ground, time passes faster, and the weather is cool.

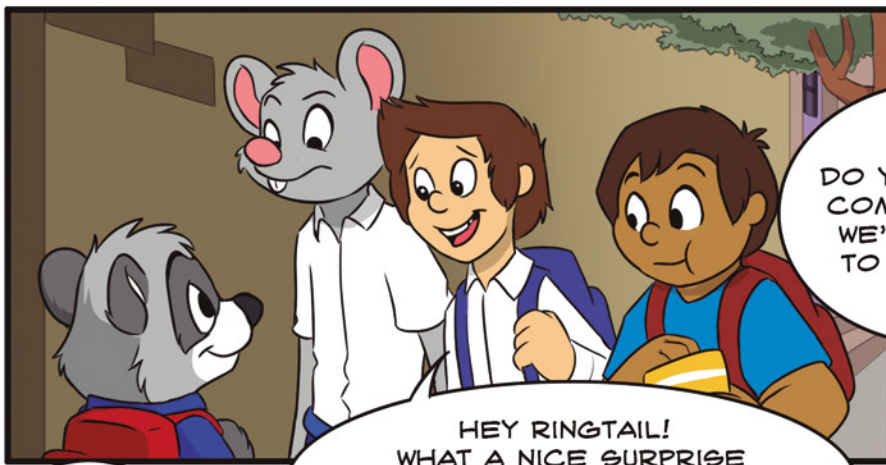

Today was the perfect day to go out and play, but I don't know if my friend Arturo forgot he would come for me ...

... or maybe he was just late, because I saw him on the other side of the street, with two friends of his. I ran toward them.

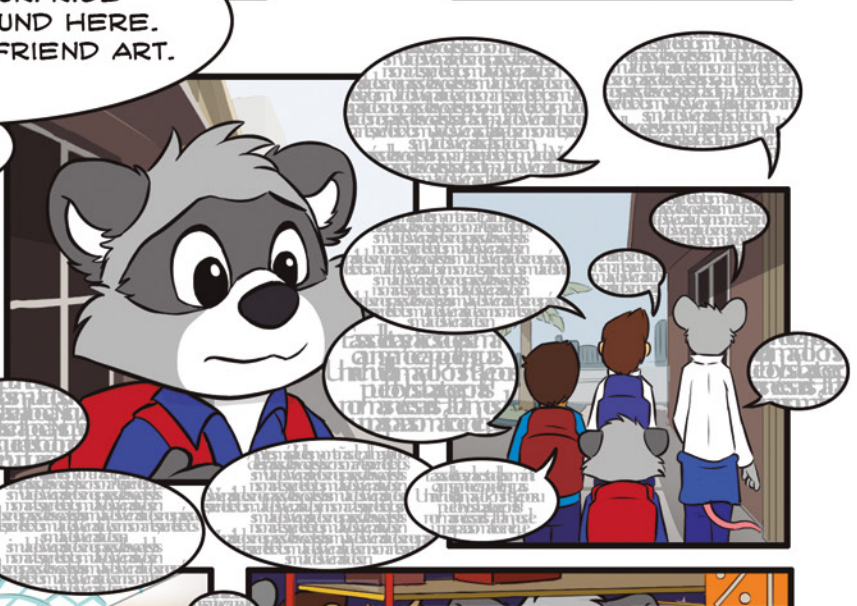

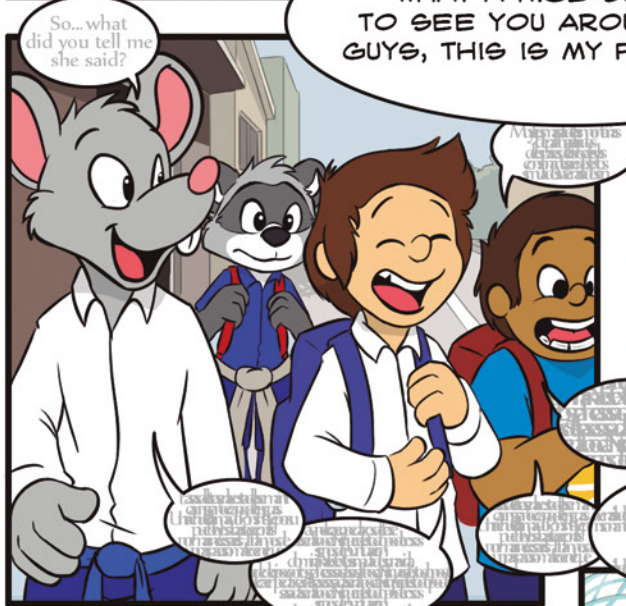

DO YOU WANT TO
COME WITH US?
WE'RE GOING
TO THE MALL.

HEY RINGTAIL!
WHAT A NICE SURPRISE
TO SEE YOU AROUND HERE.
GUYS, THIS IS MY FRIEND ART.

I haven't been to the mall in a long time. I can't find what's interesting
about going only to look and not being able to buy anything.

And although I was accompanied,
I had never
felt so alone before.

November 18th, 2006

It's been several days since I hung out with Arturo. The last time, it was very boring to be among his friends. They didn't even notice when I left. I just went back to my house alone.

And... Surprise!
I saw him again, and his friends
from last time, too.

WHAT ARE YOU
DOING HERE,
MR. TRASH? WHAT
HAVE WE TOLD YOU?
YOUR PLACE IS NOT
AMONG HUMANS.

WHERE DO
YOU THINK
YOU'RE GOING?

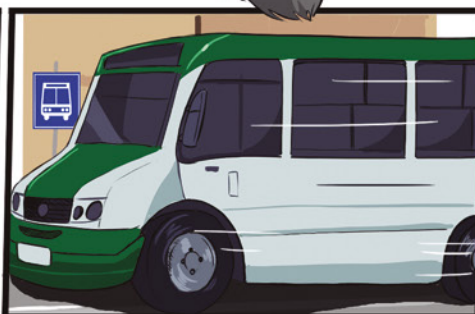

LOOK WHO
WE HAVE
HERE!

YOUR STENCH
MAKES US
SICK!

LET'S PUT THIS
PEST WHERE HE
BELONGS.

I realized trusting people only to be betrayed hurts a lot.

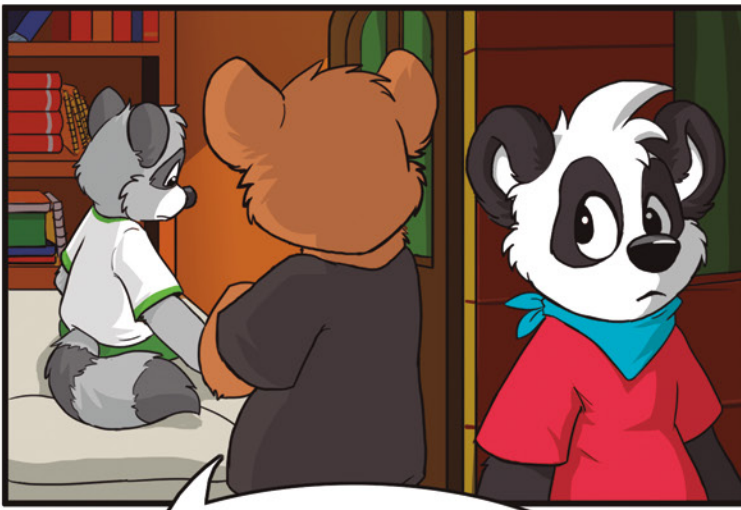

OH, ART!
NEITHER
OF US WERE
HAPPY THERE.

BUT WE
CAN'T CLING TO
THE BAD THINGS
FROM OUR PAST
AND GIVE THEM
CONTROL OVER
OUR PRESENT.

IDON'T WANT
TO HAVE FRIENDS
ANYMORE!!

I KNOW THAT RUNNING AWAY FROM THAT PLACE, AS WE DID, WAS NOT THE SMARTEST WAY TO GET AWAY FROM THAT LIFE.

BUT THIS PANDA GAVE US A NEW CHANCE. HERE WE CAN START AGAIN WITH PEOPLE WHO UNDERSTAND US.

I WAS VERY HAPPY TO KNOW THAT YOU MADE A NEW FRIEND TODAY.

NEVER CLOSE THE DOOR TO A NEW OPPORTUNITY. THE PAST SOMETIMES HURTS, BUT IT'S ONLY FROM THOSE MISTAKES THAT WE CAN LEARN.

I LOVE YOU SO MUCH, LITTLE BRO. I DON'T LIKE TO SEE YOU SAD.

HEY! WE'RE ABOUT TO START A JAM SESSION.

AND SINCE PARINTON WAS RESPONSIBLE FOR MAKING NOISE WITH HIS DRUMS AT MIDNIGHT, LET'S FINISH WAKING UP THE NEIGHBORS!

ART, YOU'RE A GREAT BASSIST. YOU SHOULD JOIN US.

OKAY, HAVE A GOOD NIGHT, RACCOON. I KNOW YOU CAN SLEEP DESPITE ALL OUR NOISE.

BUT THE NEIGHBORS WILL HATE US.

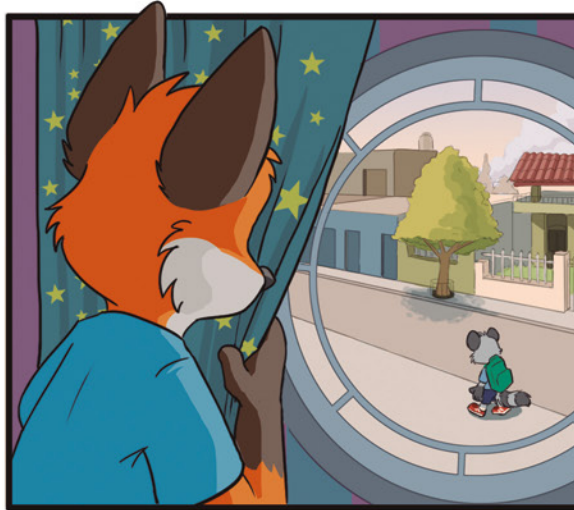

August 13th, 2008

Today, I made a friend in the park, and, although it was a very brief moment,

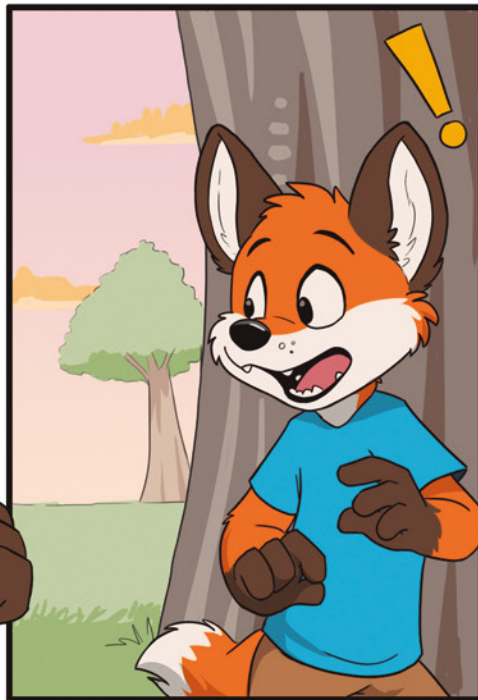

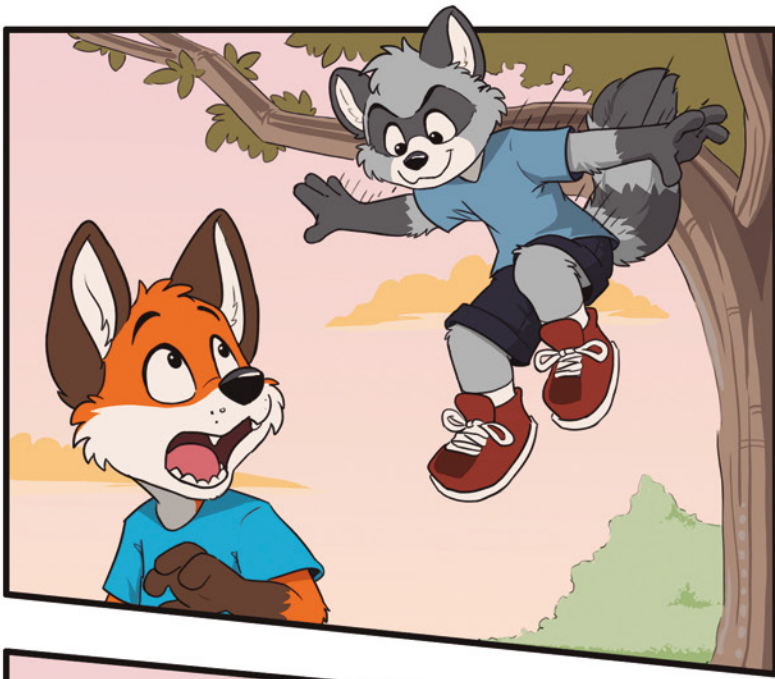

...I had a new motivation. Not only to make new friends, but to find that fox named Biro again.

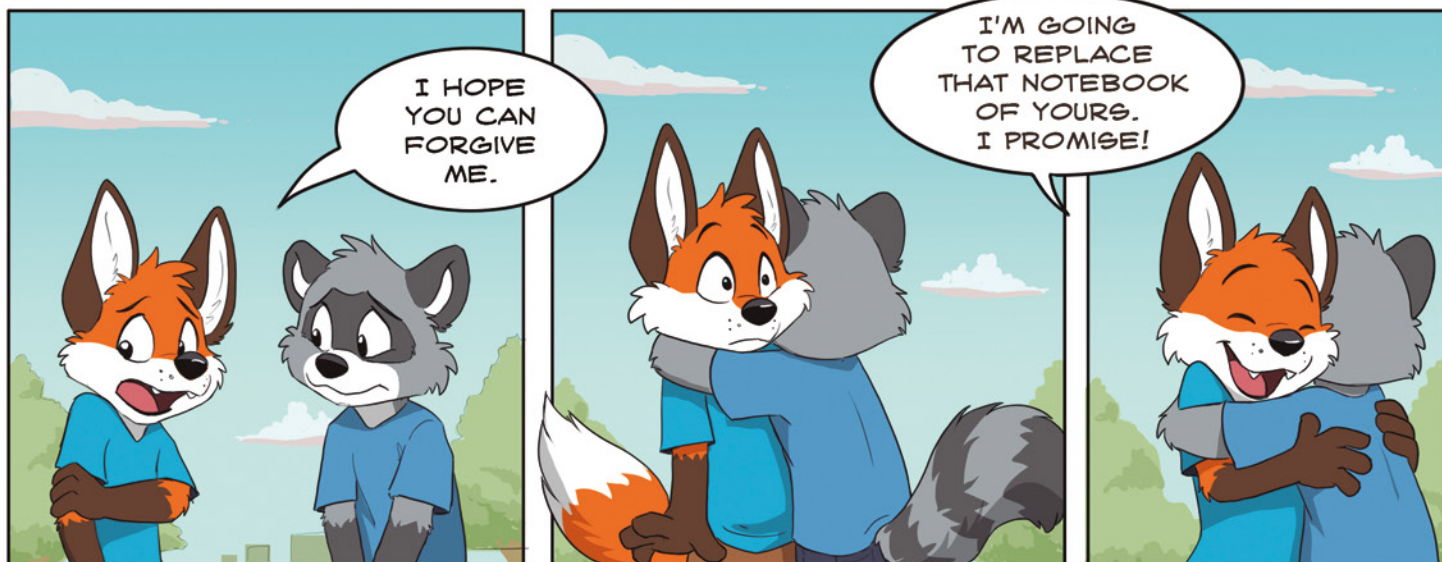

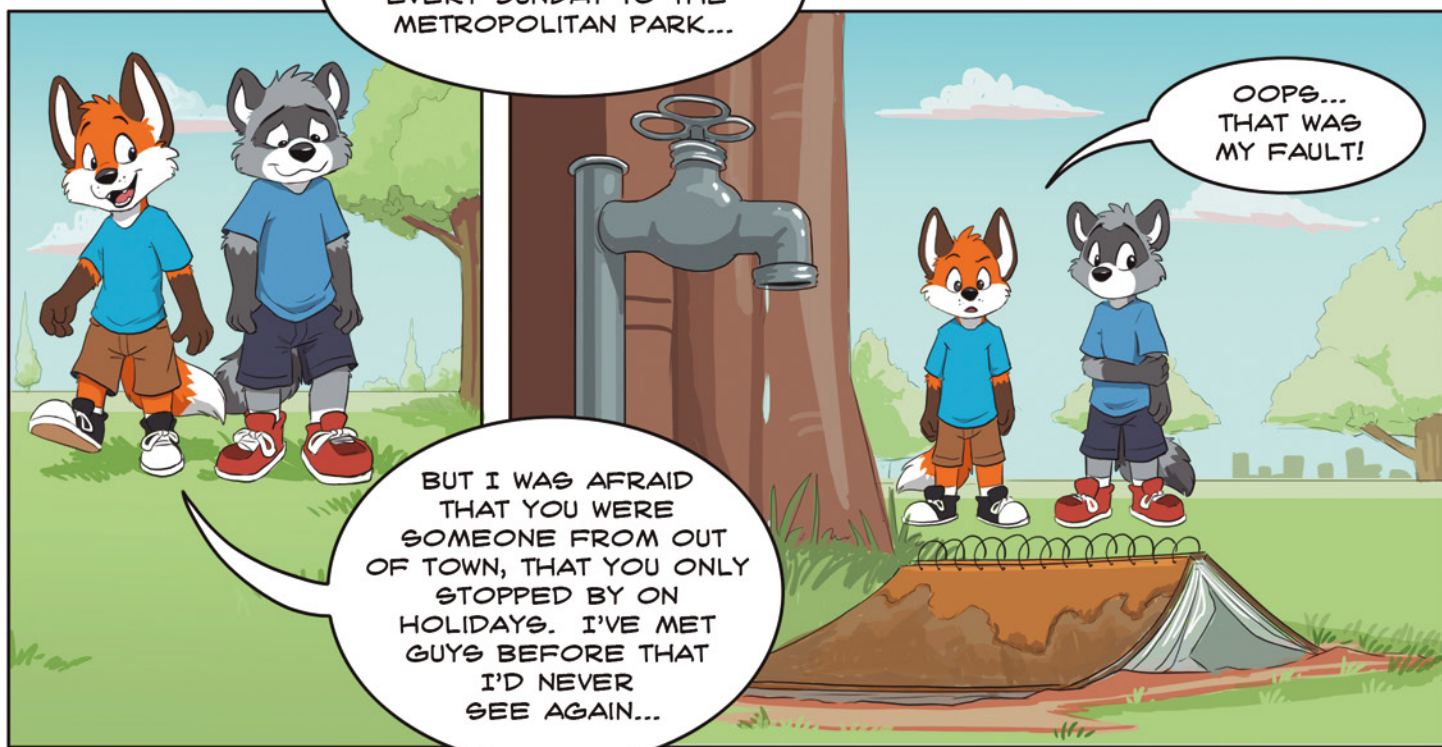

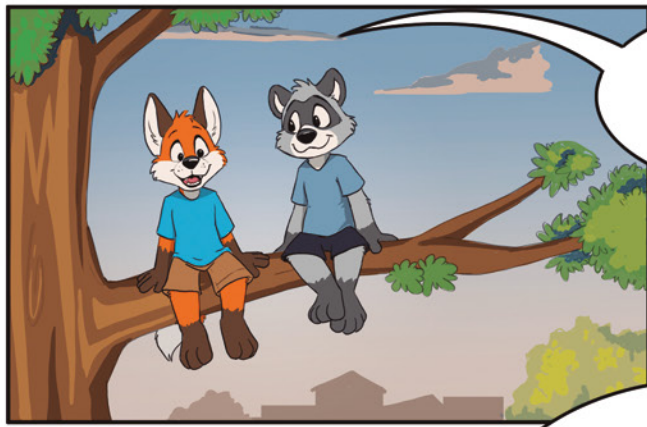

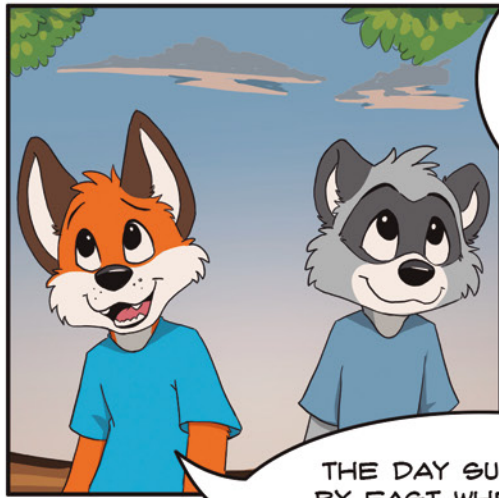

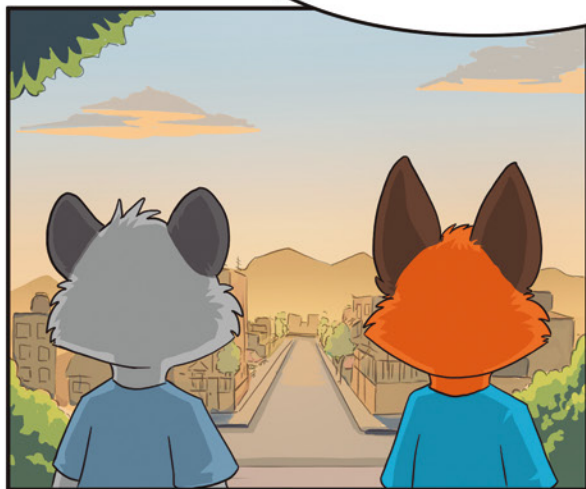

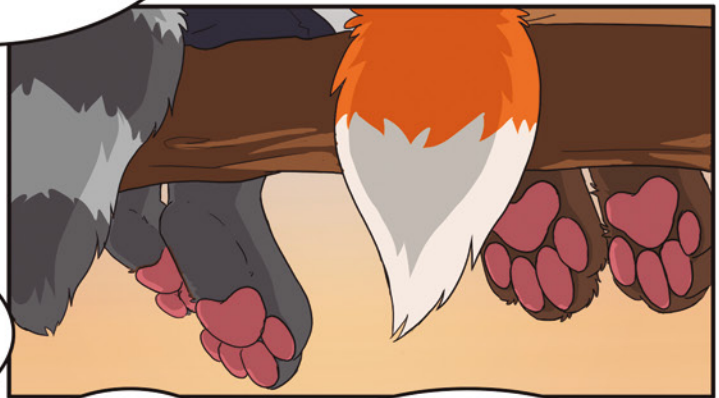

WOW, WE'RE
NEIGHBORS.
THAT'S LUCKY!

IT WON'T MAKE A
DIFFERENCE IF
WE AREN'T AT THE
SAME SCHOOL.
WE WILL STILL SEE
EACH OTHER
EVERYDAY!

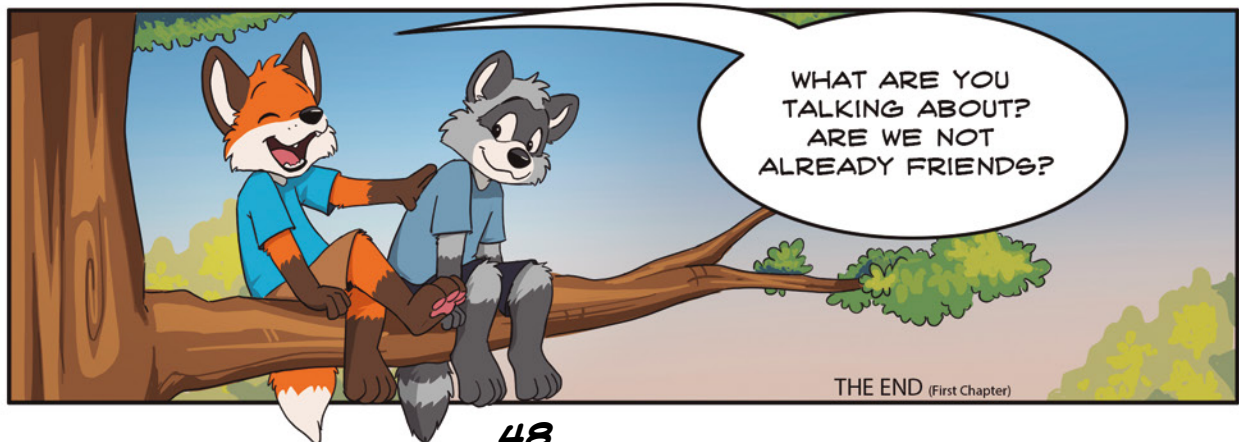

THE DAY SURE GOES
BY FAST WHEN YOU'RE
HAVING FUN! DO YOU THINK
WE WILL EVER MISS DAYS
LIKE THESE?

BIRO...

DO YOU WANT TO
BE MY FRIEND?

WHAT ARE YOU
TALKING ABOUT?
ARE WE NOT
ALREADY FRIENDS?

THE END (First Chapter)

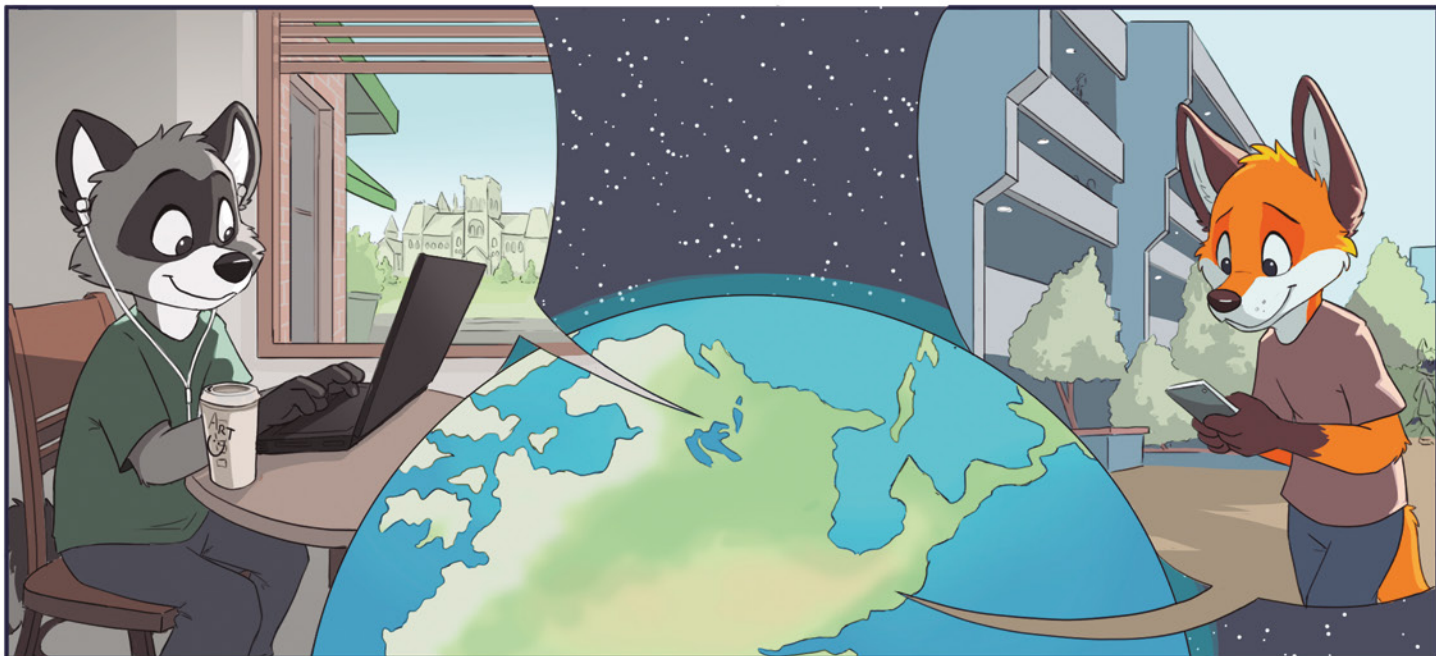

Biro and I have been best friends since we were kids. I was 11, and he was 9. At first I thought it would only be a short friendship, but fate really had plans for us growing up.

We're total opposites, but I think that's precisely why we get along so well.

College has separated us for a few years,
but we always stay in touch.

Every time one of us visits, I feel those same
exciting emotions that I get when I finally see him

Whenever we get back together though,
things are never quite the same as the last time.

- He always has new friends, and it's always difficult
- for me to get along, but he never leaves me behind.

- Sometimes we don't have much to talk about, even
- though we've experienced so many new stories to share.
- We would just remain silent.

- And that always makes me a little nostalgic. It takes me
- back to when those two kids were playing in the park.

I've realized that the best moments in life are the ones where we can just enjoy each other's company. There's no need to talk when being with my friend is worth more than a thousand words.

I remember the time I decided that I didn't want to have friends anymore. It's a good thing I changed my mind.

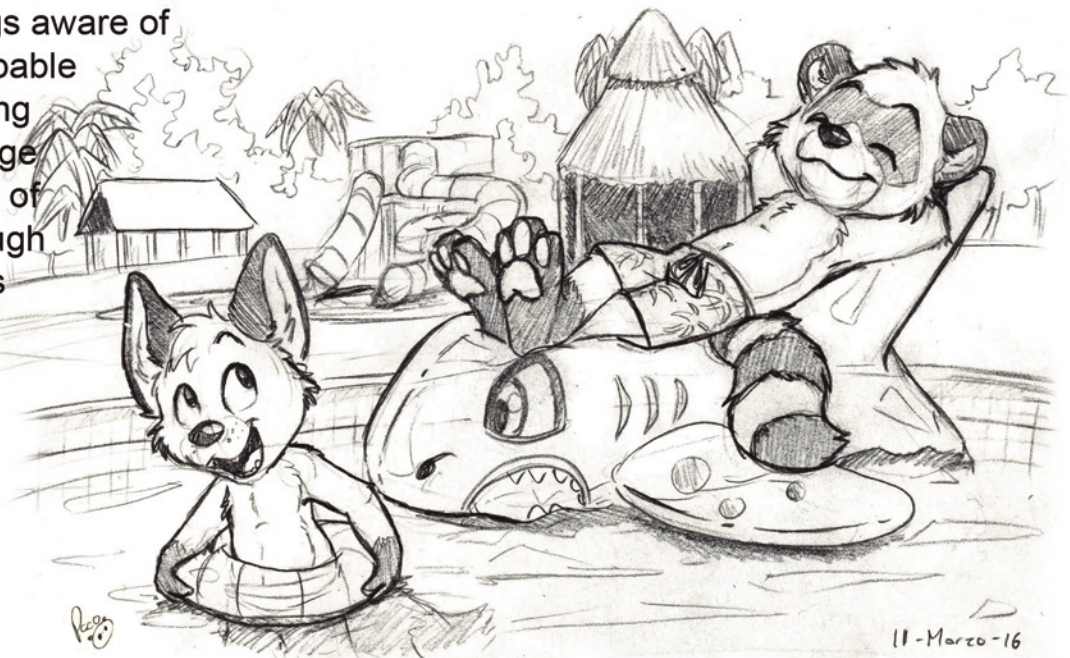

We'll always have bad times, but it's important to have them because they're the ones that make us learn and grow the most.

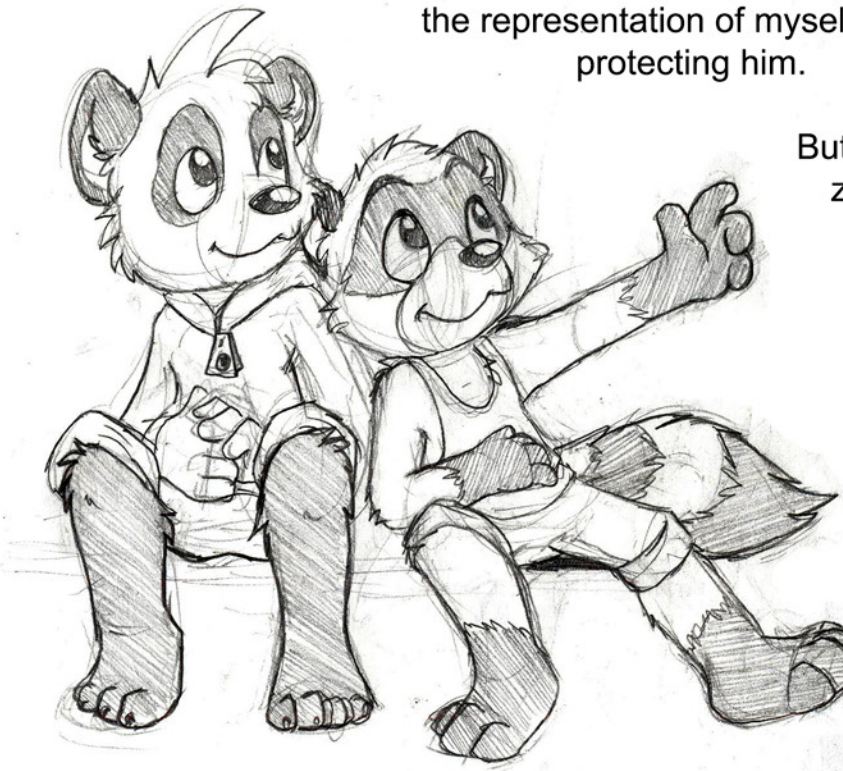

Since I was a kid I imagined characters around me, they could be called "imaginary friends", but I was also a character myself: a panda.

Surely, many of those who had knowledge of my imaginary universe thought that it would be a stage in my life and that I would soon abandon it. But the more I grew, the more I imagined stories, and I even wrote some.

All these stories occurred in the same universe. I liked to imagine I lived there myself. A world so similar to ours, where there are animals and humans, but also anthropomorphic beings with animal characteristics, who also live in society together with humans, since they are also beings aware of their existence, capable of inventing, learning and using knowledge as complex as that of humans, even though their appearance is more like known animal species.

The story of Art the raccoon, who lives in this universe with his brother and his friends, began to take shape in my head the moment I moved to a new town, more than a decade ago. He was already a character that I had drawn and personalized, always shy, apparently mute, and preferring to be alone with his thoughts, never being the center of attention. Much of what I wanted to change as a person was reflected in this raccoon; I felt that I should help him, so Parinton, the panda, which is the representation of myself, always wanted to be by his side, protecting him.

But we cannot just stay in our comfort zone. Art needed a friend, and surely that could be especially hard for him; even more so if that friend is the complete opposite of him. Someone very outgoing, loud and mischievous. He had to be a red fox!

Art's name came up thanks to an uncle, who told me that his father's name was Arthur but his short name was "Art", a name that seemed very artistic and beautiful to me.

Biro's name came up when I drew him for the first time, it was with a ballpoint pen, a tool that was invented by László Bíró. So I thought that Biro would be a perfect name for him, even though "Bíró" is originally a surname.

13-Sep-15

When I joined the Furry Fandom, I already had all this in my head previously, but it was a very great motivation to know that there were more people in this world liking anthropomorphic characters, who enjoyed literature, illustrations, music and anything related to animals with human characteristics. I found comics on the internet that featured “furry” stories and that there were many readers for these comics.

That was when I thought that I could make Art and Biro as a web comic.

I started the comic in 2012 in no order at all. I did some strips, which are the ones you can see on this page. Then I realized that it was not working. I needed to generate a script and page planning, and that was how in June 2014 I began to publish some pages of the comic that you already know, doing them in my free time, and completing it in April 2020, during the middle of the pandemic. A few months later I published a short epilogue, which shows a glimpse into the future of the characters, but this doesn't mean the end of the story or the prelude to chapter 2, as we will probably see Art and Biro again learning to grow up in this world.

Many of the experiences that Art lived, presented in this comic, are inspired by personal anecdotes, in no chronological order and more exaggerated than they really were. Personally, I don't think there have been bad guys in the story: we were all young, we all had fears, we all did actions that we continue to regret; but thanks to that we have learned, we have grown. Sometimes we would like to go back to the past and be able to play as when we were kids, enjoy the free time we had, apologize to someone we hurt, or better yet, never hurt anyone.

It is sad to leave people behind in our lives, but life keeps moving forward and the past helped shape who we are today.

Instead, you can draw inspiration from your past and make a drawing, a song, a story, or a comic.

Fan Arts

There are many artists whose work has been a great inspiration to me. There are those who I've followed since I started drawing and who have motivated me to improve, and those who I've met during this journey, walking together, one step at a time.

The following pages feature works by several of those artists who spent a few hours paying tribute to Art and Biro. Thanks a lot!

Art & Biro Fan Arts have been made by so many people, from professional artists, fans, friends, and colleagues.

A big thank you to everyone who has spent their time drawing these characters over the years.

I would have liked to include each one of them in these pages, but in my attempt to collect all the ones they have done, you can see them on the website:
www.artbirocomic.com

Biro means the world to me but I'm too shy to tell him. I can't wait to see him tomorrow. I'll show him these words and he'll know I'll be his friend forever!
